

Govt. College Bharmour

Report on Lecture Title: Disaster Management: Prevention, Preparedness and Safety Measures

26 September 2026

An awareness lecture on Disaster Management entitled **Disaster Management: Prevention, Preparedness and Safety Measures** was successfully organized at Govt. College Bharmour on September 26, 2026, in the college smart classroom. The primary objective of the session was to educate students on disaster preparedness, mitigation techniques, and emergency response protocols. The key speakers for the session, Mr. Joginder Sharma and Mr. Raman, delivered insightful presentations highlighting practical safety measures and effective strategies to handle natural and man-made disasters. The event was held in the presence of Dr. Naresh Kumar and Prof. Vivek Kumar, who supported the initiative. A large number of students actively attended the session and participated in discussions to better understand their role in community safety and emergency preparedness. The informative program concluded successfully, emphasizing the importance of organizing such awareness activities regularly.
